

CURRICULUM VITAE

Name	Anders Kragh Bingen
Nationality	Danish
Date of Birth	06.08.1978
Residence	Denmark
Current Position	Senior Consultant
Specialisation	Governance, anti-corruption, procurement, monitoring & evaluation, capacity building, legal and institutional analysis, civil society and private sector development

EDUCATION

2003 – 2007	MSc International Development Studies and Sociology , Roskilde University, Denmark
2005	Course Certificate, Sociology, Concordia University, Montreal, Canada
2000 – 2003	BA Sociology , Roskilde University, Denmark

KEY QUALIFICATIONS

Mr. Bingen has 14 years of experience working on international projects. His main areas of expertise are within good governance, anti-corruption, public procurement, capacity development and project management.

Mr. Bingen has led and taken part in scoping, formulation, appraisal, evaluation and monitoring assignments as well as legal and institutional assessments in Africa, Eastern Europe, the Middle East, Asia and the Pacific.

Currently, he is the Project Director on a large-scale Anti-Money Laundering and Countering the Financing of Terrorism project for the Danish Embassy in Ethiopia. He has previously undertaken similar roles on EuropeAid and Danida projects in Eastern Europe and he functioned as the monitoring consultant for three years on Danida's programme concerning anti-corruption and civil society promotion in Kosovo.

He has led and participated in many public procurement assessments in countries such as South Sudan, Zimbabwe, Ethiopia and Papua New Guinea for the World Bank and UNDP. He has also worked extensively for the European Commission on evaluations and larger implementation projects, e.g. acting as Team Leader on the external evaluation of Frontex.

Mr. Bingen is also a highly skilled trainer and facilitator and has been responsible for managing and conducting training courses in a range of topics such as public sector leadership, public financial management and results-based management primarily for public sector and civil society organisations from various countries all over the world. He has managed and implemented more than 30 tailor-made training courses for Danida Fellowship Centre over the past 10 years and he has previously acted as guest lecturer at Copenhagen Business School for six consecutive years on anti-corruption.
