**PROFESSIONAL EXPERIENCE**

Date	Location	Client	Position	Description
Jan – April 2022	Somaliland	FCDO	Project Manager	<p><b>Mid-Term Review of the Somaliland Development Fund Phase 2</b></p> <p>The Somaliland Development Fund Phase Two (SDF2) is a multi-donor fund that supports the Government of Somaliland (GoSL) in the delivery of basic services. SDF2 is a flagship economic recovery and infrastructure programme for Somaliland covering the period September 2018 to March 2024. The main purpose of this work is to review the implementation of the SDF2 programme since its inception in September 2018. The mid-term review will assess and make recommendations to improve performance, accountability, learning and evidence-based decision making and management.</p> <p><b>Activities</b></p> <ul style="list-style-type: none"> <li>▪ In charge of providing administrative and contractual management to the evaluation process throughout the different phases</li> <li>▪ Coordinating field missions in Somaliland and ensuring adherence to agreed logistical and security plan arrangements</li> <li>▪ Ensuring adherence to agreed timelines and submission of deliverables</li> <li>▪ Ensuring compliance to quality standards of the reporting outputs</li> <li>▪ Coordinating with 4 team members</li> </ul>
January – May 2022	Syria	European Union Delegation to Syria	Project Manager	<p><b>Mid-Term Evaluation of UN Joint Programme to Strengthen Urban and Rural Resilience Conditions for Community Recovery in Syria</b></p> <p>The main objectives of the mid-term evaluation was to provide the relevant services of the European Union – and the interested stakeholders - with: • an overall independent assessment of the performance of the project ‘UN Joint Programme to strengthen urban and rural resilience and conditions for community recovery in Syria’, paying particular attention both to its results, measured against its expected objectives, and to the reasons underpinning such results; and • key lessons learned, conclusions and related recommendations in order to improve the remaining period of implementation and potential second phase as well as similar future Interventions. The evaluation therefore has a double objective of accountability (documentation of results) and of learning (lessons learned and recommendations).</p> <p><b>Activities</b></p> <ul style="list-style-type: none"> <li>▪ In charge of providing administrative and coordination management to the evaluation process throughout the different phases</li> <li>▪ Coordinating field missions to Damascus, Dara’a and Deir Ez-Zor and ensuring adherence to agreed logistical and security plan arrangements</li> <li>▪ Ensuring adherence to agreed timelines and submission of deliverables</li> <li>▪ Ensuring compliance to quality standards of the reporting outputs</li> <li>▪ Coordination of four evaluation experts</li> </ul>
November 2021 – May 2022	Afghanistan (Desk-based)	Sida – Afghanistan Unit	Project Manager	<p><b>Evaluation of Afghanistan Research and Evaluation Unit, Strategy Period 2019 - 2021</b></p> <p>The purpose of this evaluation is to evaluate the relevance, effectiveness, efficiency and impact of the implementation of the AREU strategic plan 2019 – 2021, specifically with regards to its vision, mission, overall objectives and theory of change. Additionally, the project aims to formulate recommendations to contribute to upcoming discussions regarding the preparation of AREU’s new three-years strategic plan. The findings and recommendations will also provide inputs for Sida’s development strategy for Afghanistan.</p> <p><b>Activities</b></p> <ul style="list-style-type: none"> <li>▪ In charge of providing administrative and contractual management to the evaluation process throughout the different phases</li> <li>▪ Ensuring adherence to agreed timelines and submission of deliverables</li> <li>▪ Ensuring compliance to quality standards of the reporting output</li> <li>▪ Coordination of three evaluation experts</li> </ul>
October 2021- December 2021	Desk	Sida HQ (Dept for International Organisations & Policy Support)	Research Assistant	<p><b>Evidence Brief and Method Support as Input for Work to Strengthen Conflict Analysis</b></p> <p>The over-all purpose of this assignment is to provide input to Sida’s work to strengthen its method support for Sida staff with regards to support to commissioning, developing and making use of (different types of) conflict analyses. But the assignment is not as general as that but much more specific. The specific objectives are:</p>

Date	Location	Client	Position	Description
				<p>1) provide suggested guidance (or method support) in terms of how to identify relevant conflicts in all phases of conflict (including <i>risk of</i> severe violence and conflict as in contexts of submerged or rising tension);</p> <p>2) provide an evidence brief about root causes of conflict and drivers of conflict as well as drivers of peace;</p> <p>3) suggest complementary guidance (or method support) on how to strengthen any conflict analysis with regards to the specific task of identifying root causes of conflict and drivers of conflict / peace in different types of contexts; and</p> <p>4) suggest complementary guidance (or method support) on how to link identified root causes to appropriate and relevant options for intervention</p> <p><b>Activities</b></p> <ul style="list-style-type: none"> <li>▪ Desk literature review on root causes of conflict, drivers of conflict and drivers of peace (contextual analysis)</li> <li>▪ Contribution to drafting of 2 documents: evidence brief, and guidance note</li> <li>▪ Close collaboration with 2 conflict experts</li> </ul>
October 2021- March 2022	Africa (Eastern & Southern Africa)	Sida – Embassy of Sweden in Lusaka	Project Manager	<p><b>Final Evaluation of 2gether 4 SRHR project: A Joint UN Programme</b></p> <p>The purpose or intended use of the evaluation is to help Sida and its partners to assess progress of the programme, which will provide input to upcoming discussions concerning the potential preparation of a new phase. It will also document lessons learnt and inform how implementation may be adjusted or improved in a potential new phase of the programme. The conclusions and learnings from the evaluation will furthermore be of use for other organisations working towards an integrated, regional approach to SRHR. The primary intended users of the evaluation is the regional SRHR team at the Swedish Embassy in Zambia.</p> <p><b>Activities</b></p> <ul style="list-style-type: none"> <li>▪ In charge of providing administrative and coordination management to the evaluation process throughout the different phases</li> <li>▪ Facilitating contracting and roll-off of meetings with the evaluation team and the client</li> <li>▪ Coordinating field missions to South Africa, Zambia, Uganda and ensuring adherence to agreed logistical and security plan arrangements</li> <li>▪ Ensuring adherence to agreed timelines and submission of deliverables</li> <li>▪ Ensuring compliance to quality standards of the reporting outputs</li> <li>▪ Coordination of three gender and evaluation experts</li> </ul>
September 2021 – March 2022	Global (Asia and Africa)	Sida-Embassy of Sweden	Project Manager	<p><b>Evaluation of the Swedish Intellectual Property Office International Training Programme on Intellectual Property for Development</b></p> <p>The International Training Programme, ITP 313 Intellectual Property for Development, is implemented by the Swedish Intellectual Property Office (PRV) and is funded by Sida, through the Strategy for capacity development, partnership and methods that support the Agenda 2030 for sustainable development (hereafter the KAPAME strategy). The intended use of this evaluation is to help Sida and PRV assess progress of ongoing capacity development programmes to learn what works well and what doesn't work well. The evaluation will be used to inform decisions on how any future programmes should be designed in order to further enhance sustainable, anticipated effects in the area of Intellectual Property, innovation and institutional building of IP systems. To do this the evaluation should <i>identify results, collect lessons learned and provide PRV and Sida on recommendations for future programme design and implementation.</i></p> <p><b>Activities</b></p> <ul style="list-style-type: none"> <li>▪ Supporting the entire evaluation process</li> <li>▪ Facilitating contracting and roll off of evaluation team/client meetings</li> <li>▪ Managing the field missions</li> <li>▪ Ensuring adherence to agreed timelines and submission of deliverable</li> <li>▪ Managing the quality assurance processes</li> </ul>
September 2021 – January 2022	Turkey & Lebanon	SKL International/Sida	Project Manager	<p><b>Evaluation of the RESLOG project 2018-2021</b></p> <p>The purpose of the evaluation is to provide Sida, SALAR/SKL-International and its project partners with an input to upcoming discussions concerning preparation of a possible new phase of Reslog. The specific objective of the evaluation is to evaluate the relevance, effectiveness and efficiency of the implementation of the <u>Reslog</u> project and to formulate recommendations as inputs to foreseen discussions concerning the preparation of a new phase of support.</p> <p><b>Activities</b></p>

Date	Location	Client	Position	Description
				<ul style="list-style-type: none"> <li>Supporting the entire evaluation process</li> <li>Facilitating contracting and roll off of evaluation team/client meetings</li> <li>Managing the field missions</li> <li>Ensuring adherence to agreed timelines and submission of deliverables</li> <li>Managing the quality assurance processes</li> </ul>
July – Dec 2021	Kosovo	Sida – Embassy of Sweden in Pristina  Erik Pettersson <a href="mailto:erik.pettersson@gov.se">erik.pettersson@gov.se</a>	Project Manager	<p><b>Evaluation of Development Cooperation between the Ministry of Finance, Labor and Transfers, Property Tax Department, in Kosovo and the Swedish Tax Agency financed by the Swedish Embassy in Pristina</b></p> <p>The evaluation focused on the prolongation of the Protax 2 project between 2018 and 2021, including the context of the entire engagement from Protax 1 in 2008-2011 and the initial Protax 2 project in 2014-2017. The Protax 2 has an overall purpose to strengthen the municipalities in Kosovo to improve their ability to generate their own sources of revenue and be financially stable. The evaluation focused on the project design, implementation, outcome, actual cooperation and capacity building aspects of Protax 2.</p> <p><b>Activities</b></p> <ul style="list-style-type: none"> <li>Supporting the entire evaluation process</li> <li>Facilitating contracting and roll off of evaluation team/client meetings</li> <li>Managing the field missions</li> <li>Ensuring adherence to agreed timelines and submission of deliverables</li> <li>Managing the quality assurance processes</li> </ul>
April – Sep 2021	Kenya (Field-based)	Sida – Embassy of Sweden in Nairobi  Elena Sahlin <a href="mailto:elena.sahlin@gov.se">elena.sahlin@gov.se</a>	Research Assistant and Project Manager	<p><b>Evaluation of KCB and Multiparty guarantees and an assessment on prospects of guarantee projects in Kenya</b></p> <p>This evaluation was intended to examine the set of guarantees that were a part of the portfolio from 2012 until 2020 and to evaluate the development results that these guarantees achieved, to learn from what worked well and less well. The intended use of the evaluation was also to explore future prospects on guarantees based on lessons learned, taking into account the new development strategy in Kenya 2021-2025, benefitting from the current programmes in the agriculture and market development portfolios and the current economic and financial situation in the country.</p> <p>A field mission was carried out in Kenya (Nairobi, Machakos, Kiambu, Narok counties).</p> <p><b>Activities</b></p> <ul style="list-style-type: none"> <li>Research assistant functions included but not limited to: desk research, design of questionnaires within Survey Monkey, translation of survey to Swahili, conducting interviews, coordination of meetings, interview schedules and field mission logistics.</li> <li>Project management functions included but not limited to: supporting the entire evaluation process, facilitating contracting and roll off of initial project meetings, managing the field missions, submitting deliverables and managing the quality assurance processes.</li> </ul>
April – May 2021	Desk - Africa	ILO/Regional Office for Africa (ROAF)  Martin Østergaard <a href="mailto:martinostergaard1907@gmail.com">martinostergaard1907@gmail.com</a>	Junior evaluator	<p><b>Thematic evaluation on selected activities on youth employment (YE) in Africa towards developing an ILO YE regional strategy</b></p> <p>The purpose of the evaluation was mainly to contribute to the formulation and implementation of an ILO YE strategy for Africa 2021-2030, taking into account potential changes in the economies in Africa due to post-COVID recovery phase. The evaluation looked activities and results from ILO work in Africa developed or competed in 2019-2020 (at policy, institutional and direct-action levels).</p> <p><b>Activities</b></p> <ul style="list-style-type: none"> <li>Supported the data collection process in participating in interviews from various members of ILO experts across Africa and HQ; documenting minutes of the interviews.</li> </ul>
Jan – Mar 2021	Global: Lebanon, Libya, Mali & S. Sudan (Desk-based)	DanChurchAid (DCA)  Lene Rasmussen <a href="mailto:lera@dca.dk">lera@dca.dk</a>	Research Assistant/ Project Manager	<p><b>External Desk Evaluation of the DCA Humanitarian Mine Action &amp; Cluster Munitions Activities of 2016-2020</b></p> <p>DCA has been implementing a four-year Dutch-funded programme in several countries titled “DCA Humanitarian Mine Action &amp; Cluster Munitions 2016-2020”. This programme has included humanitarian mine action activities including clearance, explosive ordnance (EO) risk education, victim assistance and partner/stakeholder capacity development, for the benefit of the population of Lebanon, Libya, Mali and South Sudan.</p>

Date	Location	Client	Position	Description
				<p>The purpose of this evaluation aimed to measure the achievements of the overall program outcomes and the individual project outcomes as aligned and stated in the project proposal and log-frames; and give recommendations for future project development. The external evaluation also aimed to include measurement of cost-efficiency, donor expectations about results-based reporting, links between mine action and humanitarian work, and conflict sensitivity and risk management.</p> <p><b>Activities</b></p> <ul style="list-style-type: none"> <li>▪ Desk review: a review and analysis of project proposal, revisions and reports in order to analyse to what extent outcomes and outputs have been reached</li> <li>▪ Remote data collection: creation and analysis of a multilingual survey on Survey Monkey platform for project staff</li> <li>▪ Remote data collection: participate in key stakeholder interviews</li> </ul>
Dec 2020 – Mar 2021	Afghanistan (Desk-based)	GIZ Germany Abigail Hansen <a href="mailto:abigail.hansen.france@gmail.com">abigail.hansen.france@gmail.com</a>	Project Manager	<p><b>Project Evaluation: Bridging the Gap Between Formal and Informal Justice (DGIS/TAF and BMZ/GIZ)</b></p> <p>The TAF/GIZ Rule of Law program aimed at supporting capacity building of both informal and formal justice actors in Afghanistan and also aimed at improving the links and exchange between the different stakeholder. The external evaluation marked the closing of the TAF/GIZ program and closure of the joint program between DGIS and BMZ. The evaluation was expected to meet OECD/DAC criteria as well as GIZ's Central Project Evaluation (CPE) criteria. Primary objectives oriented towards leaning and accountability with an overall focus on the overall merit and worth of the intervention from program and cooperation side.</p> <p><b>Activities:</b></p> <ul style="list-style-type: none"> <li>▪ Coordination with GIZ on contractual obligations</li> <li>▪ Management of agreed deliverables in relation to timelines, delivery and quality assurance process</li> <li>▪ Coordination of evaluation team including contracting, invoicing and adherence to client requirements</li> </ul>
Dec 2020 – Feb 2021	Belarus, Lithuania (Desk-Based)	Swedish International Development Agency (Sida)/FCG Swedish Development consulting	Research Assistant	<p><b>Evaluation of Support to the European Humanities University – Desk-based</b></p> <p>Evaluation of the EHU was commissioned by Sida as a rigorous and independent assessment of the core support to EHU 2015-2020, its background and performance in relation to prior established objectives, plans, expectations or standards of performance. The evaluation also intended to provide recommendations and strategic directions to inform institutional development, future strategies to long-term financial sustainability and analysis of progress of fundraising strategy, and development of content, objectives and priorities for EHU.</p> <p><b>Activities:</b></p> <ul style="list-style-type: none"> <li>▪ Organisation and coordination of virtual interviews (Zoom) across different time zones</li> <li>▪ Conducted a gender analysis to understand the level of gender mainstreaming within EHU operations</li> <li>▪ Desk support in reporting and analysis of qualitative data</li> <li>▪ Creation, administration and analysis of a survey through Survey Monkey platform for academic teaching staff</li> </ul>
Nov 2020 – Feb 2021	Ghana (Desk – based)	Foreign, Commonwealth and Development Office (FCDO) /IMC Worldwide consulting	Project Manager	<p><b>Project Completion Review: Market Development in Northern Ghana (MADE) Programme</b></p> <p>The Foreign, Commonwealth and Development Office (FCDO) commissioned an external evaluation or review to provide an independent review of the performance of MADE over its full project cycle, and to assess among others, achievements of outcome and output targets, sustainability of results, validity of the programme's theory of change, assumptions and risks etc.</p> <p><b>Activities:</b></p> <ul style="list-style-type: none"> <li>▪ Responsible for contractual obligations with IMC Worldwide and FCDO</li> <li>▪ Ensure that all deliverables are produced and submitted on time</li> <li>▪ Coordination of the quality assurance of deliverables</li> <li>▪ Management of the consulting team</li> </ul>

Date	Location	Client	Position	Description
Mar 2020 – Mar 2021	South Sudan (Desk-based)	East African Research Fund/FCDO  Reference: Jordan Kyongo Research Specialist <a href="mailto:jordan.kyongo@fcdo.gov.uk">jordan.kyongo@fcdo.gov.uk</a>	Project Manager	<p><b>Towards Understanding the Livestock Economy in South Sudan</b></p> <p>This 8-month study aims to generate evidence from South Sudan on the importance of livestock to livelihoods and the wider economy. More specifically, the study aims to explore the importance of livestock to livelihoods and change over time, examine the state of livestock markets and their evolution as well as explore future prospects for the livestock economy and how this is expected to change. Due to Covid 19, and flooding factors, the project has included an adapted methodology to involve remote field data collection management.</p> <p><b>Activities:</b></p> <ul style="list-style-type: none"> <li>▪ Responsible for contractual and communication obligations with the EARF/PWC</li> <li>▪ Ensure that all deliverables are produced and submitted on time</li> <li>▪ Coordination of project logistics related to field travel in South Sudan</li> <li>▪ Coordination of local researchers</li> <li>▪ Ensure all research products are peer reviewed</li> <li>▪ Management of the consulting team and project budget</li> </ul>
April 2020 – June 2020	Kenya (Desk-based)	GIZ Kenya  Reference: Andrew Buluma <a href="mailto:Andrew.buluma@giz.de">Andrew.buluma@giz.de</a>	Project Manager and Research Assistant	<p><b>Study on Public (e)Procurement and Public Complaints Management Mechanisms in Kenya and their Contribution to the Fight Against Corruption through Linkages with Civil Society, Media and the Private Sector</b></p> <p>The GIZ Strengthening Good Governance Programme is implementing a 2-year (2019-2020) project that aims to achieve the module objective: ‘Service delivery at the national and county level is improved according to the principles of good governance (incorruptibility, fairness, efficiency) and the principle of accountability of Agenda 2030’. The program is currently in its final year of implementation and is scheduled to end in December 2020. A recalibration of the program is envisioned by the German Federal Ministry of Economic Cooperation and Development (BMZ) beyond 2020 with a possible change of thematic focus. The program’s focus in 2020 is therefore on achieving all set indicators and consolidating results.</p> <p>The consultancy was expected to review the current program with a view to ensuring more targeted interventions based on the new demands and changes in the anti-corruption sector. Findings from the study formed the basis for development of a concept note for BMZ by end of April 2020 covering the scope of a new phase of the program beyond 2020.</p> <p><b>Activities:</b></p> <ul style="list-style-type: none"> <li>▪ Responsible for contractual obligations with the client, including timely output deliverable</li> <li>▪ Scheduling of key informant interviews with representatives from Kenya Association of Manufacturers (KAM), Commission of Administrative Justice (CAJ), Ethics and Anti-Corruption Commission (EACC), Transparency Initiative (TI), DFID, and GIZ procurement and complaints management staff</li> <li>▪ Key liaison with the consulting team</li> </ul>
